*MV Coral Sea*

Dear

Thank you for inquiring about the chartering of the MV Coral Sea.

### A LITTLE ABOUT THE BOAT

She is 45 ft in length at the water line and 50 ft overall, has a beam of 14.6 ft with six bunks forward and four aft. She has ample secure all round deck space and at the helm she is fitted with the latest electronics.

### WHERE DO WE LEAVE FROM & STAY OVERNIGHT

You board the vessel at the 1770 Marina. You are invited to sleep onboard the night before the early morning departure and the night of return if required. We navigate the channel out of Round Hill Creek leaving Round Hill headland heading for an area towards Fitzroy Reef. Depending on the amount of days at sea and the weather conditions, anchoring can be anywhere from Lady Musgrave Island to North Reef Island in the Capricorn/Bunker group of coral reefs and islands, Fitzroy Reef area, being central, is the most used on shorter trips. On departing 1770 it is about a four hour sea trip to the first fishing area west of the reef.

1770 / Agnes Water is a beautiful little part of the Queensland coast approximately five and a half hours from Brisbane City and halfway between Gladstone and Bundaberg.

When travelling to 1770 / Agnes Water from the southern parts of Queensland I suggest to travel via Bundaberg. The route is 40 kilometres shorter than through Miriam Vale.

I look forward to having you on board.  
We thrive on fun and catching plenty of fish!

## Booking Costs & Conditions 2007 Prices

*MV Coral Sea*

The charge per day per person is \$195.00 based on a full complement of 10 people. Should there be less than 10 persons booked, a slightly higher per day cost would apply.

This costing includes GST and the reef tax.

To secure the period of Booking a deposit of 10% of the total cost of the trip will be required as soon as possible after booking.

The deposit will be refunded when bad weather forces us to cancel or cancellation by the passengers if done thirty (30) days before the booking dates set down. Please understand that deposits cannot be returned after this time factor due to rebooking losses.

### BRING YOUR OWN...

- liquid drink requirements eg booze and softdrink \* Canned drinks only unless absolutely necessary to have any bottled drinks. \* Safety and content loss are a concern.
- your own fishing equipment. There are for hire: hand reels (deck winches) at a cost of \$25 per trip.
- your esky to transfer the catch home.

### WE SUPPLY...

- a comfortable, clean boat with all facilities. Bunks are housed in cabins forward and aft.
- bedding, meals and bait.
- an experienced skipper to find you the best available fishing spots.
